

Genesee ARC 2016 - 17 Membership Drive

This year, Genesee ARC is kicking off its annual membership drive with the goal of recruiting 1,000 members. We need your help!

Since 1966, through the support of our members, families and the hard work of our committed staff, Genesee ARC has provided care, advocacy and specialized programs and services and supports to hundreds of people with developmental disabilities and their families in Genesee County including:

- Employment programs which assist people with developmental disabilities find and maintain meaningful employment in our community
- Day programs focused on community and volunteer involvement
- Family support services and community-based recreation programs
- Residential programs fostering community and independent living
- Supporting an active Parent support group

When you join Genesee ARC (or renew your membership) at any level, you help us make a positive impact on the lives of our friends, neighbors and family members with developmental disabilities.

Your Genesee ARC Membership contributes to our success in three important ways. First, each name we add to our list of members increases our advocacy at the state and national levels, giving Genesee ARC and the families and individuals we serve a more influential voice in legislative matters. That has a direct impact on our federal and state funding. Second, your membership contributions help to fund those items that government funding does not provide. But, most importantly, your membership is a statement that you believe in the importance of what Genesee ARC does and that you support our mission.

Please show your support today by filling out the membership form below and joining our organization. Individual dues are \$5.00/person with a reduced rate of \$1.00 for individuals we serve. Forms can be mailed to Genesee ARC, 64 Walnut Street, Batavia, NY 14020. Please encourage family members and friends to sign up, too!

Thank you for your support!

Sincerely,

Hank Valerych, Chair
Membership Committee
